

## Renewed Minds, Part 2

Colossians 1-2

### Review of holiness

#### 1. God is awesomely, terribly holy

- He is not answerable to me
- the basis for unfeigned worship

#### 2. I can be a carrier of God's holiness

- only in Christ can this be possible

#### 3. Holiness is to show up in my everyday life

- I have to go through transformation
- this requires my mind be renewed
- my mind is renewed as I learn what the Bible says about who I am in Christ
- this is how God looks at me = "things above"
- then I set my mind on "things above"

**\*\*We need to pray for each other that this process will take place in all our lives.**

**We cannot make it happen on our own.\*\***

*[read Colossians 1:9-10a ]*

**Some more "things above" to set my mind on:**

#### 1. I have been brought into God's kingdom

*[read Colossians 1:13, underline brought us into the kingdom ]*

- God is the Great Bringer, I did not/cannot do it
- This dominion/kingdom exchange is not a process
- He did it to me in an instant
- this is God's view of me
- earthly things vie for my attention
- the earthly stuff may indeed be true, but what is God's view?
